

# Massage

## **Partial Massage** (25 mins) € 30,00

Enjoy this classic, intensive and relaxing massage on specific areas of the body with muscle stimulation, stroking massage movements, kneading and joint stimulation movements.

## **Foot Reflexology Massage** (25 mins) € 30,00

By massaging the reflex zones on the feet a local and intensive circulation of blood flow is achieved, an improvement of the organ and tissue functions, activation of vitality, and regeneration ability from tensions and strain is reached.

## **Manual Lymph Drainage** (20 mins) € 30,00

(doctor's confirmation is necessary for this) (30 mins) € 40,00  
(50 mins) € 60,00

Soft and gentle movements are used which produce a strong effect. Here there is no pressure used with flexing or kneading of muscles. Drainage means draining which thereby creates a better transport of waste products from the body. The filter and cleansing function of the lymph nodes and channels is supported and the body's own cleansing defences are increased.

## **Manual Facial Lymph Drainage** (25 mins) € 38,00

Deposits and swellings are worked on during this special technique and waste substances and toxins thereby flow away freer. With this treatment the skin will be tightened and smoothed, it feels more relaxed and less taught promoting better blood circulation. Works especially well for: Headaches, acne, tinnitus, chronic sinusitis, swellings from dental treatment, ear and eye problems.

## **Full Body Massage** (50 mins) € 60,00

Enjoy this classic, intensive and relaxing massage over the whole body with muscle stimulation, stroking massage movements, kneading and joint stimulation movements.

## **Combination Massage** (50 mins) € 60,00

(partial and foot reflexology massage)  
Skin functioning and metabolism are stimulated, the blood and lymph systems are promoted, elasticity of the tendons and ligaments is accelerated and in addition fluidity in the joints is refined.
